Dear Parent/Carer

New reward system - Win a £10 Amazon gift voucher every day!

We want to say a huge well done to those students who have kept up with their learning during the school closure. Therefore, in the last few weeks of term, students from each year group will have the chance to win a £10 Amazon gift voucher every day!

How to win:

- Year 9 & 10 attend live lessons all day and participate fully.
- Year 7 & 8 attend their live lesson and complete their daily Brain Dump.

All students who attend lessons and participate fully by completing their work will be entered into a prize draw. Names from each year group will be selected the following day by an electronic random name generator. Winners will receive a £10 Amazon gift voucher.

Golden Ticket - Increased chance of winning:

- A golden ticket will also be awarded by teachers to any student who impresses them in their lesson or with an exceptional piece of work.
- Teachers will decide the criteria for this. They will then add the students name to the draw (this will then give the student 2 chances to win).

How to claim a prize

- Names will be drawn and announced the following day.
- In year 9 & 10 this can be in any one of the lessons. However, students will not know which lesson the names will be announced in. Students need to be in the lesson to claim their prize. If they are not there the prize will go to the next name!
- In year 7 & 8 names will be announced in live lessons. Students need to be in the lesson to claim their prize. If they are not in the lesson, the name generator will select another person.
- To claim the prize, students need to email their year manager straight away.

Once again, thank you to everyone for supporting the school and their child with their education during this difficult time.

Yours sincerely

Mr C Jones
