Dear Parents and Guardians,

## ONLINE CAREERS FAIR 6TH-8TH JULY 2020

Next week, from Monday until Wednesday, we are excited to announce that students from all year groups will have the opportunity to take part in an online careers fair.

The schedule for the event can be found at <https://bit.ly/2VV2WC3> and includes presentations and Q&A with people from various professions and who represent many organisations, such as the BBC, Channel 4, the NHS, UK Parliament, a theatre, the fire brigade and many more.

Students will be able to pick and choose which sessions they would like to attend. The normal online lessons that they will miss during these times can be caught up on when they have some free time. If a student is not attending a careers fair session, then the usual expectation of attending the timetabled school lesson remains in place. Students who attend career fair sessions, will be required to complete a Google Form that accompanies the session, this will be how we measure attendance.

More information about how to access the Careers Fair and the Google Forms will be provided on the Learn at Home Tanfield School website <https://bit.ly/2VV2WC3> and on year group Google Classrooms (accessible by students).

On Monday at 12pm there will be a special online session with guidance on how to build a CV and cover letter. I would like to specifically highlight this session for our year 11 and 10 students.
